

Ph.D. Program Catalog Election Form

Name _____ ID # _____

Graduate Bulletin Catalog Year _____

I have been advised about the new requirements for the Ph. D. program in Instructional Systems and Workforce Development and understand that I may select to remain in the _____ *Graduate Bulletin* in which I was admitted or choose to change to the new Ph. D. program that became effective Summer 2013.

I understand that once I have chosen a program that I must follow the guidelines for that program and that substitutions cannot be made from one program to the other.

After discussion with my adviser and comparing the requirements for both programs, I elect to:

- remain in my current catalog Ph. D. program.
- change to the new Ph.D. program which became effective Summer 2013. I understand that I cannot substitute courses between the two programs. I must meet all requirements of the new program.
